As it relates to Directive 2018-2, we have confirmed that all Camden County municipal police departments are in full compliance with the exception of the following departments which are not yet in total compliance.

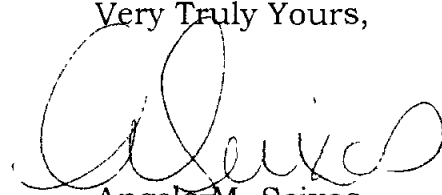

- 1.) Pine Valley Police Department
- 2.) Barrington Police Department
- 3.) Cherry Hill Board of Education Police

As it relates to Directive 2018-3, we have confirmed that all Camden County municipal police departments are in full compliance with the exception of the following departments which are not yet in total compliance.

- 1.) Berlin Township Police Department
- 2.) Camden County Police Department (Metro)
- 3.) Lawnside Police Department
- 4.) Oaklyn Police Department
- 5.) Pine Valley Police Department
- 6.) Cherry Hill Board of Education Police

These departments have been instructed to confirm their full compliance with both Directives as soon as possible. This Office will continue to follow up with each of these departments and ensure that their full compliance has been accomplished.

Very Truly Yours,
